

Overview

Private Campsite Providers and RV Parking Providers

You can quickly and transparently check availability and prices on the websites of individual providers and easily book a parking spot for your RV or a tent pitch online (*just click on the underlined provider name*).

Tip: Leipzig's campsites offer a limited number of available Finnish huts and bungalows at affordable prices.

Please note that, apart from two parking areas (Goldstück, Zoo) and one campsite (KNAUS Campingpark), all other areas are located on the outskirts of the city or in neighboring municipalities. If necessary, use the [Leipzig Public Transport connection search](#) to find out the nearest public transport connections (*just click on the underlined text*).
